

introduction to the autism progression framework

3
hours

Gain an overview of the autism progression framework which is available free from the AET website.

Who is this training for?

This session is suitable for practitioners working with school-age pupils on the autism spectrum in both mainstream and specialist services. This may include:

- teachers
- teaching assistants
- Sencos
- any practitioner needing to map the progress of pupils

What will you learn?

- Understand how the progression framework relates to the broader educational context.
- Familiarity with the content and key features of the progression framework.
- Skills in identifying learning goals and measuring progress for pupils on the autism spectrum in areas specific to their individual needs.
