

TBMPTS's successful subject leaders clusters are continuing this year with the next dates and venues as follows:

**English: Chandag Infant School BS31
1PQ**

Maths: Paulton Junior School BS38 7QY

**Science: Peasedown St John Primary
School BA2 8DH**

**All clusters take place on Thursday,
January 17th, from 4pm to 5.30pm**

**Access to all the clusters for all three
subjects is £30 per school for the year**

TBMPTS is pleased to welcome two new SLEs to the team following the recent recruitment process—Katie Pearson and Matt Henson—both with English specialisms.

We can offer SLEs with specialisms in maths, music, assessment, MFL, EYFS, English, diminishing differences, writing, phonics, NQT development, reading, KS1 assessment, SpaG, ASD and SEN.

For more information, please see the website www.tbmpts.com click on school to school support and then SLEs.

Train to teach with TBMPTS

Our Schools Direct programme is run in partnership with Bath Spa University and local primary schools. Applications for 2019-20 can be made via UCAS at www.ucas.com—candidates will require a minimum 2:2 degree and first-hand experience of working within a children's/young person's setting prior to the start of the PGCE course.

The application window is now open.

**So far in 2018-19
the Bath and
Mendip
Partnership
Teaching School
has worked with 80
schools with 295
members of staff
accessing training.**

**Participants have
rated our courses
an average of
9.1 out of 10.**

Working in partnership with the Cabot Learning Federation, we are pleased to be providing a cohesive induction package for NQTs.

It is not too late to register an NQT with us. We can offer a complete training package or flexible Pay As You Go option.

Daniel Sobel: Narrowing the attainment gap

January 24th, 2019,
Fosse Way School, Radstock
£95

Are you looking to diminish the differences in your school for disadvantaged pupils, then this is be the course for you.

Daniel Sobel is the Founder and Lead Consultant of Inclusion Expert. An internationally respected leader in inclusive education, he has advised the Department for Education, the European Union and governments abroad.

He is the author of several works, including *The Pupil Premium Handbook* and *The SEN Code of Practice Pack*. *Narrowing the Attainment Gap* was published by Bloomsbury Press in January 2018.

He regularly speaks on educational inclusion, social and behavioural issues, special educational needs, managing mental health and impoverishment at national and international conferences.

Daniel and his team together share a vision that every child deserves the opportunity to achieve their potential, regardless of need, background or ability.

Louise Bombèr

March 8th, 2019

**Somerdale Pavilion, Keynsham.
Early bird £80 before Christmas
£90 after Christmas**

Louise and her team offer a range of services supporting children and young people who have experienced significant relational traumas and losses to move towards learned security and recovery.

As well as having written many articles, she is the author of **Inside I'm Hurting**. She also wrote **What About Me?**. More recently Louise has written the **Attachment Aware Schools Series – Bridging the gap for troubled pupils** to support schools to create effective small teams around pupils – Team Pupil. Louise is an advocate for attachment aware and trauma informed interventions within education, as at present many pupils who have experienced toxic stress are misunderstood and even excluded from schools.
