Makaton is a language programme using signs and symbols to help people to communicate.

It is designed to support spoken language and the signs and symbols are used with speech, in spoken word order.

With Makaton, children and adults can communicate straight away using signs and symbols.

Many people then drop the signs or symbols naturally at their own pace, as they develop speech.

The Foundation Workshop provides a detailed introduction to Makaton and combines a practical approach with theory and technical information.

Lectures cover research into sign and symbol use, symbol design

themes, the use and purpose of Makaton and an overview of alternative systems of

communication.

You will learn the signs and symbols for Stages 1-4 and Additional of the Core Vocabulary.

You will receive four workshop manuals, Pocket Book of Signs 1 and Pocket Book of Symbols 1.

You will also be given a certificate of attendance.

Hannah Eaton**
