Following the success of the primary school autism champions network last year we continuing to run it this year.

The champions are often non-teaching staff (and unlikely to be the SENDCo) who have had significant professional development in field of ASD.

The network meets three times a year and each time there will be:

- A training focus (to be agreed at the previous

session).

- Opportunities to share good practice.
- News and updates including new resources.
- Focussed discussions.

We would request that a booking be made for each session please.
