This primary CPD course will draw upon pupil case studies and “tried and tested” resources to explore:

- EAL-related definitions
- The underlying principles of EAL pedagogy
- The use of EAL assessment to identify strengths and areas for development
- Classroom approaches to develop academic language for EAL and all pupils

Through various school improvement approaches, Catherine has collaborated

effectively with education leaders, teaching practitioners, BME pupils and their families to develop and deliver inclusive practice for BME pupils including those who learn through English as an Additional Language. In 2018, Catherine was appointed as an EAL Academy Associate and as a trainer for the Bell Foundation. For more information see [www.betterbilingual.co.uk](http://www.betterbilingual.co.uk)
