

# Subject leader clusters 2020-21

## Calling all maths, English and science leaders

We are continuing to run our popular  
subject leader cluster sessions  
over the coming year

These popular subject leader clusters provide an opportunity to get together to discuss and share best practice while keeping up-to-date with new developments.

Facilitated by SLEs, these sessions will cover a range of current topics. Bring along examples of work to share, engage in professional dialogue and exchange ideas.

## This year we are offering six English, six maths and three science meetings

### They start on:

#### English cluster

Wednesday, October 7th

4pm to 5.30pm

#### Maths cluster

Thursday, October 8th

4pm to 5.30pm

#### Science cluster

Tuesday, November 24th

4pm to 5.30pm

Cost: £30 per school for access to all 15 clusters over the year.

For now, all sessions will take place remotely via Zoom.

When booking, please include the email address of the person who will be attending each session so we can send the Zoom link.
