

Good autism practice

Two
half
days

Gain practical knowledge, and discover tools and techniques to support children with autism or on the pathway to a diagnosis in your setting.

Who is this training for?

This training is for practitioners working directly with children. This includes:

- childminders
- teachers
- nursery nurses/assistants
- Sencos

What will you learn?

- To develop your knowledge and understanding of good autism practice.
- To understand the guidelines and activities to improve your practice when caring for or working with a child on the autism spectrum.
- How to use the early years autism competency framework to evaluate and develop how you work.
