The Young Gamers and Gamblers Education Trust (YGAM) is a national charity with a social purpose to inform, educate, safeguard and build digital resilience amongst young and vulnerable people. Helping them to make informed decisions and understand the consequences around gambling and gaming. YGAM want to support people in having meaningful interactions with children and young people covering the topics of gaming and gambling with the aim to prevent future harms. The City and Guilds assured workshops cover information on gaming and gambling in the UK and provide delegates with the tools needed to protect children and young people against gaming and gambling related
