

Making sense of autism for practitioners

1

Day

Gain practical knowledge, and discover hands-on tools and techniques to support young people with autism in your setting.

Who is this training for?

This training is for all staff working directly with young people on the autism spectrum. This may include:

- tutors
- learning support practitioners
- assessors
- trainers
- job coaches
- the team around the young person

What will you learn?

- To develop your understanding of autism and what makes good autism practice.
- Practical strategies to support outcomes and experiences for the students with whom your work.
- To use tools provided to develop and evaluate your practice and that of your setting.
