

# Making sense of autism

## raising awareness

**90**  
Minutes

**Gain a better understanding and awareness of autism and the way it affects young people in your setting.**

### Who is this training for?

For everyone involved in a post 16 setting who would benefit from an understanding of autism. This includes:

- teachers
- support staff
- office staff
- caterers
- caretakers
- transport staff
- governors
- employers
- careers advisers

### What will you learn?

- To understand the four key areas of difference that need to be taken into account when working with young people on the autism spectrum.
- The importance of understanding the young person on the autism spectrum and their profile of strengths and areas for development.
- Identify key areas to help young people on the autism spectrum build positive relationships with staff, peers and people in their community.
- To develop an awareness of the sensory and communication differences that young people on the autism spectrum may experience.
